Selection procedure for scholarships promoted by the Department of Environmental, Land and Infrastructure Engineering

The Director General

WHEREAS

[...]

NOW, THEREFORE, ESTABLISHES AS FOLLOWS

Art. 1 – Scholarships and beneficiaries

The Politecnico di Torino, upon request of the Director of the Department of Environmental, Land and Infrastructure Engineering, announces 10 scholarships of 2,000 euro each (gross amount), addressed to students enrolled for the first time in the a.y. 2021/2022 in the M.Sc. degree program in Environmental and Land Engineering (LM-35) – “Climate change” track at Politecnico di Torino. Scholarships are provided to enhance the attractiveness of the Master’s programme in Environmental and Land Engineering (LM-35) – “Climate change” track, launched in the framework of the project climate_change@polito, funded by MIUR – Departments of Excellence initiative.

Art. 2 – Requirements

In order to apply for the scholarships, applicants must fulfill the following requirements:

- send the request to be admitted to the Master's degree programme in Environmental and Land Engineering (Laurea magistrale in Ingegneria per l'Ambiente e il Territorio - LM-35) at Politecnico di Torino for the a.y. 2021/2022 through Apply@polito by **22 October 2021**

And, in order to be assigned with the scholarship, beneficiaries shall:

- be enrolled in the Master's degree programme in Environmental and Land Engineering (Laurea magistrale in Ingegneria per l'Ambiente e il Territorio - LM-35) at Politecnico di Torino for the a.y. 2021/2022 **by 26 November 2021**;
- having selected the "Climate change" track when defining the career plan.

Art. 3 – Exclusions

Candidates attending Politecnico di Torino's international exchange Double-Degree – INCOMING projects are not eligible for such call.

Art. 4 – Compatibilities and incompatibilities

Scholarships are not cumulative with those provided by the Regional Agency for the Right to Education of Piedmont (E.Di.S.U. Piemonte) or by other Regional or local Agencies for the Right to Education; in case of award of both types of scholarships the candidate shall opt for one of the two. Moreover, Scholarships are not cumulative with those for students coming from a foreign university enrolled for the first time in a Master programme at Politecnico di Torino in the a.y. 2021/2022 within the project TOPolITO. Scholarships are combinable with part-time collaborations or other benefits deriving from other initiative for the promotion of the right to education awarded by Politecnico.

Art. 5 – Application procedure

Applications shall be sent **by October 25th, 2021** through the on-line platform "Apply". Applicants must log into their personal page of the Teaching Portal / Portale della Didattica (for students who graduated at Politecnico di Torino) or register to the Apply procedure (for students who graduated in another University) and follow this path: "Select your course" – "Add application" – "Research and academic scholarships" – "Scholarships & prizes").

In order to send the application properly it is necessary to confirm your data and send the request.

No attachments are required.

The finalization of the online application corresponds to the request of participation this call and entails acceptance of the call contents. The applicant is responsible for verifying the proper finalization of the procedure.

Art. 6 - Ranking list

Once this announcement is expired, the Teaching Area verifies which candidates meet the eligibility requirements stated in Art. 2 and defines a ranking list of eligible candidates based on the Bachelor career.

Candidates not meeting the requirements will be excluded and will receive a notification by e-mail to the institutional e-mail address (for graduates at Politecnico di Torino) or to the e-mail address noted in the application form (for external applicants).

A Commission, composed of professors of Politecnico di Torino, whose judgment is final, will define the ranking list on the basis of the evaluation of the final grade obtained at the Bachelor graduation and the number of semesters needed to graduate.

In case of equal ranking scores, priority will be given to candidates with the highest final grade, where a grade equaled to 110 cum laude will be considered higher than 110. In case the Bachelor degree is issued by a foreign university, the Commission will make a relative evaluation.

In case of further equal ranking scores, the scholarship will be granted to the candidate with the lowest "ISEE Universitario" or "ISEE Parificato" for foreign students [...]. In case of absence of an "ISEE Universitario / Parificato", candidates will be assigned with the highest ISEE economic value recognized by Politecnico di Torino, according to the Guide to student contributions for a.y. 2021/2022.

The ranking list of candidates will be published here: https://didattica.polito.it/tasse_borse_e_premi/bandi_borse_e_premi.html by the deadline published in the same webpage. The ranking list is provisional, until the completion of the procedure described at Art. 7

Art. 7 – Scholarships award

After the deadline of 26 November 2021, the Education Services (GESD) will verify the requirements described in article 2 for students included in the ranking list at art. 6. Candidates who will not meet such requirements will be excluded and will receive a notification e-mail to the institutional e-mail address (for graduates at Politecnico di Torino) or to the e-mail address noted in the application form (for external applicants).

Scholarships will be then granted to the first 10 candidates with the highest score in the ranking list. The definitive ranking list will be published here: https://didattica.polito.it/tasse_borse_e_premi/bandi_borse_e_premi.html by the deadline published in the same webpage.

Candidates who will be awarded with the scholarships will be also notified by e-mail through the institutional e-mail address.

Art. 8 - Acceptance of scholarships and withdrawals

By the deadline set in the communication of scholarship award at art. 7, awarded students shall confirm acceptance of the scholarship by following the instructions indicated in the same communication.

In case of withdrawal by one or more selected candidates, the scholarship will be awarded to the following candidate(s) in the ranking list.

Art. 9 – Scholarships payment

[...]

The award may be subject to IRPEF taxation because it shall be considered as income equivalent to that of an employee. In order to establish the correct tax category, the student will therefore be required to fill out the related online form, that can be found in the Tuition Fees and Payments section of the Teaching Portal.

Art. 10 – Privacy Policy

In accordance with the General Data Protection Regulation (EU Regulation 2016/679) and the "Code regarding the protection of personal data" (Legislative Decree No. 196 of 30th June 2003 and further amendments) personal data are processed by Politecnico di Torino exclusively for the selection process in pursuit of the university aims and in accordance with the transparency purposes

imposed by the law. The processing of personal data is based on the principles of correctness, lawfulness and relevance of purposes. More information on the processing of personal data is available at: <https://didattica.polito.it/privacy>. The Responsible of this Call proceedings is Mrs. Giovanna Palazzo.
